Dear Peter

In 2006, the President of SPANZ Mr Graham Young came to talk to NASDAP Executive and one of the outcomes of that meeting, was to discuss the possibility of the two organisations working more closely together. I have enclosed a letter that I sent Graham, after this meeting.

At the latest Executive meeting, my members asked me about the progress of the relationship and I had to report that as yet, I had not had any correspondence from your office. My Executive would still like to work alongside SPANZ on issues that affect both groups as we believe that having a united front may well give more credence with the key policy makers in education.

I look forward to hearing from you in due course and hope that we can work together.

Kind regards

Annette M Taylor (Ms)
