Dear Sheryll

On behalf of NASDAP, I would like to say thank you very much for all of the work that you have done as an Executive Member of NASDAP for the past seven years.

You have very ably represented the Auckland region and your contribution to Executive discussions was always professional and matter of fact. In latter years, your contribution increased as you undertook the role of Vice-President. You were instrumental in the establishment of the NASDAP Scholarship and your presence on the Leaders Forum was invaluable. We will sorely miss your wise counsel.

We wish you well for your new position as Principal of Selwyn College.

Please stay in touch with us.

Kind regards

Annette M Taylor [Ms]
President NASDAP
