Dear Trevor

On behalf of NASDAP Executive, I would like to take this opportunity to say thank you very much for the work that PPTA Executive are doing on behalf of Deputy and Assistant Principals.

Executive are thrilled to see that there have been significant inroads made into recognising the unique position that Deputy and Assistant Principals are in within schools, especially when they "Act-Up" in the roll of Acting Principal.

We wish PPTA all the very best for the upcoming employment negotiations for all secondary teachers.

Kind regards

Annette M Taylor [Ms]
