Acting Principal
Geraldine High School
McKenzie Street
GERDALDINE

Dear Lynlee

On behalf of NASDAP, I would like to say thank you very much for all of the work that you have done as an Executive Member of NASDAP for the past nine years.

You have very ably represented the Canterbury and Aoraki regions and your contribution to Executive discussions was always professional and matter of fact. In latter years, your contribution increased as you undertook the role of Secretary. Your efficient minute taking and the administration of the NASDAP Scholarship will be sorely missed.

We wish you well for your new position as Principal of Waitaki Girls High School.

Please stay in touch with us.

Kind regards

Annette M Taylor [Ms]
President NASDAP
