Dear Graham

On behalf of NASDAP, I wish to take this opportunity to thank you for speaking to Executive on Monday 31 July 2006.

Executive were very grateful for the time that you gave up to be with us yesterday. You provided us with a lot of interesting and exciting ideas, concepts and information; much "food for thought."

After your session, we further discussed the possibility of a working party being established between SPANZ and NASDAP to look at mutually beneficial issues. Everyone whole heartedly supports this concept and we hope that your Executive feel the same way too.

We look forward to continuing the open, two-way relationship that we have established.

Kind regards

Annette M Taylor [Ms]
President
