Dear June

On behalf of NASDAP, I would like to say thank you very much for all of the work that you have done as an Executive Member of NASDAP for the past two years.

You have very ably represented the Hawke's Bay and East Coast regions and your contribution to Executive discussions was always professional and matter of fact. Your contribution increased as you undertook the role of Membership Secretary. We will sorely miss your wise counsel.

We wish you well for the rest of 2011 and beyond.

Please stay in touch with us.

Kind regards

Annette M Taylor [Ms]
President NASDAP
