Dear Tim

On behalf of NASDAP, I would like to say thank you very much for hosting the very successful 2007 bi-ennial NASDAP conference for the Top of the South region in Nelson 22-24 August.

The current Executive are very grateful for the amount of work that you and your conference committee and organisers undertook to ensure that the conference was very everything it should be; a range of educational speakers who provided participants with relevance.

And the hospitality of the Nelson School of Music Concert and the Conference dinner at the WOW Museum also contributed to the overall successfulness.

Your team certainly provided the 330 Deputy and Assistant Principals present with 3-4 days of "relevant and in context professional learning."

Once again, thank you very much.

Kind regards

Annette M Taylor [Ms]
President NASDAP
