Dear Derek

**NASDAP Professional Development Opportunities in 2011 and beyond**

I am Annette Taylor, President of NASDAP [National Association Secondary Deputy and Assistant Principals] and we represent over 90% of area and secondary schools in New Zealand.

We have a National Executive which is made up of 11 representatives from around NZ and we meet at least three times a year.

In the past we have offered a \$6000 scholarship to one member and while it has benefited the five recipients and to some extent all Assistant and Deputy Principals, this will be the last year that we offer the Scholarship.

Instead, we are going to transfer the \$6000 to a study tour programme, offered in three central areas across NZ, open to all paid up member schools, on issues of interest. NASDAP will subsidise the study tour up to a \$ amount per person.

Sarah Stenson [DP at Epsom Girls Grammar] is the "driver" of this and one of the issues she is contemplating investigating for 2011 is E-Education and Digital Technology. We would very much like to work collaboratively with you and would appreciate your expertise and advice on how best to deliver this to as many schools as possible.

I look forward to hearing from you.

Kind regards

Annette M Taylor [Ms]

President NASDAP
