Dear Nigel and Committee

On behalf of the NASDAP, I would like to say thank you very much for organising and hosting the 2009 biennial NASDAP Conference recently.

Executive heard many positive comments about the three-days. The keynote speakers and the workshop presenters offered a variety of information to the delegates. It was wonderful to see such a large turnout in Hawkes' Bay. And the weather certainly made for an even more wonderful experience.

We look forward to hearing from June at the next NASDAP Executive meeting about the conference - a sort of "wrap-up" of the event. Any information that the Committee feels the Wellington group may need to know will also be greatly appreciated. Also at this meeting, June needs to report back on the financial status of the conference and whether or not NASDAP will receive all or part of the \$5,000 seeding money; a condition of the "seeding finance" given to regions from the outset.

Having been a committee member in 2007 for the Nelson conference, I know how you must all feel at this point in time; relief that it is over and that you can now focus on other things to fill your already busy lives.

Once again, many thanks. Taking the biennial conference to the regions has proved very successful over the past six years.

Kind regards

Annette M Taylor (Ms)
