Dear Darren

NAMES and CONTACT DETAILS of REGIONAL ADVISORS for LEADERSHIP

On behalf of NASDAP, I would like to request the names and contact details of the Regional Advisors for Leadership in order to publish this list for the member schools of NASDAP.

I am making this request as Executive members are frequently asked by member schools, who they can contact about leadership and related issues within their regions.

I look forward to hearing from you.

Kind regards

Annette M Taylor
President of NASDAP

Dear Louise

The purpose of this letter is to let you know that the Executive of NASDAP sympathise with you, your students, your school and the community while you are dealing with the situation at Waverley High School.

While we are not party to all of the intricacies of the situation, know that at the recent Executive meeting, it was mooted that often there is little {if any} support for Assistant and Deputy Principals when ghastly situations arise and that I should write to you on behalf of member schools to let you know that we do understand that you must be under enormous pressure at the moment. Your position is most unenviable.

If you feel that there is something practical that we could do to help, please let us know. But at the very least, know that our thoughts are with you.

Yours sincerely

Annette M Taylor
President NASDAP

We look forward to meeting with you.
