Dear Trevor and Bronwyn

On behalf of NASDAP, I wish to take this opportunity to thank you for speaking to Executive on Friday 17 March at our first meeting for 2006.

While the discussion was frank, I believe it was fruitful.

NASDAP wants to work with SPAC and PPTA; we do not want to work against you. However, both organisations need to accept that often there are frustrations from members and we have to use the appropriate vehicles to represent these; NASDAP Executive for NASDAP member schools and SPAC for AP's and DP's who are PPTA members.

If we can be of any help in preparing the database of AP's and DP's who are PPTA members, please do not hesitate to contact me as we have an up-to-date database of 360 area and secondary schools who are NASDAP members.

I look forward to continuing the open, two-way relationship that we have established.

Kind regards

Annette M Taylor [Ms]
President
